

The Busy Puppy Comes Home

Hello! I am the Busy Puppy! One day I was running and playing with my birth sister and brothers. Can you draw and color where we were running? I have a shape around me. What color am I?

Someone came to play with me! Who can it be? Can you color where we are?

**It is my Forever Brother! Can you color us
being happy?**

**My Forever Sister and my Forever Brother
came to find me!! Can you color all the love
in this picture?**

My Forever Family took me home! Can you draw the Busy Puppy's house?
